

Precision 3.5mm Female to N Male Adapter

Precision 3.5mm female to type N male adapter part number SM3355 from Fairview Microwave is in-stock and ships same day. This Fairview 3.5mm to type N adapter has a female to male gender configuration in a precision design. SM3355 3.5mm female to type N male adapter operates to 18 GHz. The 3.5mm connector mates mechanically with commercially available SMA and 2.92mm (K) connectors. The Fairview Microwave RF adapter provides excellent VSWR of 1.15:1 maximum.

RF adapters can be used to enable connections between two connector types that would otherwise not mate. Certain RF adapter configurations can also be used to protect connectors on expensive equipment where the number of connect and disconnect cycles is high. An RF, microwave, or millimeter wave adapter is connected to the equipment and the commonly changed connection is made with the adapter which can be easily replaced when it wears out after high usage; such adapters are referred to as connector savers. Fairview Microwave also offers bulkhead, panel mount, hermetically sealed, reverse polarity, and isolated ground adapter varieties to serve all of your RF, microwave and millimeter wave needs.

Electrical Specifications

| Description | Min | Тур | Max | Units | | |
|-----------------|-----|-----|--------|-------|--|--|
| Frequency Range | DC | | 18 | GHz | | |
| VSWR | | | 1.15:1 | | | |

Electrical Specification Notes: Values at 25°C, sea level.

|---------------|--------------|-------------------|
| Description | Connector 1 | Connector 2 |
| Туре | 3.5mm Female | N Male |
| Polarity | Standard | Standard |
| Mating Cycles | 500 | 500 |
| Mating Torque | | 12 to 15 in-lbs |
| | | [1.36 to 1.70 Nm] |

Configuration:

- 3.5mm Female Connector 1
- N Male Connector 2
- 50 Ohms
- Precision Design
- Straight Body Geometry

Features:

- VSWR of 1.15:1 max up to 18 GHz
- Contact plating according to MIL-G-45204
- Gold over Nickel Plated Beryllium Copper Contact

Applications:

- Enables Between Series Connections
- General Purpose Test
- Precision Test & Measurement
